BACHELOR'S IN ARTS WITH EDUCATION

IUBTG wants to produce capable and knowledgeable students who manifest an understanding of work and careers and an ability to adapt quickly to the expectations of employers and the work environment. The Bachelor of Arts in Education (BAEd) requires both academic and personal growth of its students, contributing their success as classroom teachers. The program's educational objectives are to:

1. Identify skills dealing with the needs of a range of students and how they learn.
2. Review theories and practices through the critical analysis and exploration of a diverse range of educational issues.
3. Demonstrate a capacity to create and maintain a safe and challenging learning environment through the effective use of a variety of appropriate classroom management skills.
4. Exemplify the ability to plan, assess, and report for effective learning.
5. Employ an ability to critically reflect upon and continually improve professional knowledge and practice.
6. Demonstrate a capacity to actively and collaboratively engage with members of the education profession and with the wider community.
